

## Non-woven Island Dressing

Create an optimal wound healing environment, even on difficult to dress areas! AMD Ritmed's **bleach free** Island dressings have an adhesive border that seals around the wound while the soft non-adherent pad absorbs light drainage without disrupting the healing tissue. Perfect for use as a primary or secondary dressing.

		Sterile	Per pouch	Pouches per box	Boxes per case
A50044*	4" x 4" with 2" x 2.5" pad	Yes	1	15	10
A50066*	6" x 6" with 4" x 4" pad	Yes	1	15	10
A50414*	4" x 14" with 2" x 12" pad	Yes	1	15	10

## Non-Adherent Pads

Non-adherent pads are used for effective protection of cuts, scrapes and burns. The pads are easy to remove and don't stick to wounds while providing cushion protection.

## Transparent Dressing

These dressings can be used as a secondary dressing to cover and protect wounds or to secure I.V. lines and objects to the skin. Our transparent dressings conform to areas that are often difficult to dress while its' transparency allows observation of the skin surrounding the wound. It is also water and fluid repellent.
